MANHATTAN BEACH

Manhattan Beach is known for having the highest level of sophistication and class in the South Bay, and the restaurants of the city reflect it. The best steak around can be found at Arthur J on Manhattan Avenue, or you can sample wine from all over the world paired with authentic Italian food at Lido di Manhattan Ristorante & Bar. Restaurants that rival the best in L.A. are based here, including Fishing With Dynamite and Darren's Restaurant & Bar. Use the Search Bar to help narrow your options- Manhattan Beach never lets down those that love to dine well.

*The Price Range is an estimate of one diner's total meal with beverages, tax and tip.
